\* *Stagecoach's Summer Term Pass (Term 3) can be used until 31<sup>st</sup> July 2023.*

- The pass listed against your home postcode in the tables above, is the pass you need to travel from home to college. When you purchase the bus pass online, you may decide to upgrade the pass so you can use it to travel further afield (useful if you need to travel to another area for a part time job for example). If you decide to upgrade the pass, the subsidy amount you are entitled to (if applicable), will remain the same as the subsidy amount shown against your home postcode.
- All bus passes can be used at **weekends** and in the **evenings** within the allowed area – they should not be used out of date or out of zone, otherwise your pass may be confiscated or withdrawn.
- If there are two bus companies under your post code, this means that both bus companies serve your area to the Havant Campus, and you can choose either company depending on which pass suits you best.
- All Travel Subsidies are a one-off payment, regardless of whether an Annual or Termly bus pass is chosen. The college will inform you near the start of Term 2 if you are eligible for this.
- The service routes on this form, are only **suggested** routes to get students from their home to the Havant Campus. Other routes can be used within the allowed zones for the chosen bus pass.
- No bus services are guaranteed, and most services are not run under contract to HSDC. Therefore, some bus services/routes may be updated or changed over the summer, please go to the First Bus or Stagecoach websites for the latest travel information.
