Section 3 – Bus Pass Application for South Downs Campus Students: Please complete this section if you receive an income-based benefit (as listed on page 1) and you require a bus pass. You must live beyond 0.5 miles from the South Downs Campus to receive travel assistance.

For any students wishing to travel by train, please speak to a Student Travel & Support Adviser (contact information at the bottom of the application) as the South Downs Campus is not within walking distance of a train station.

Bus Pass Information: The bus passes (in the table below) are listed by postcode area. The pass relevant to where you live is shown beside each postcode; **please see the bus pass guide on the back of this application form** which displays the zones/areas that each bus pass can be used in. The pass listed (alongside your postcode area) will be purchased for you by the College; these passes cost the college up to £900 each, **but there will be no cost to you once you have provided evidence of an eligible benefit.** The bus pass will enable you to travel from home to the South Downs Campus; these passes are annual (1st Sep – Jul with First Bus and 1st Sep – 31st Aug with Stagecoach). All passes can also be used in the evenings, at weekends, half terms, Christmas, and Easter Holidays and **must always be used with your Student ID card.**

How to get the bus pass: Once the application has been approved and the student has officially enrolled on their course (late August onwards), the Student Travel & Support Office will email the student with the full details of how to obtain the student bus pass. Look out for this email from near the end of August, it will contain a unique discount code which is needed to order the bus pass.

Type of bus pass: Bus passes must be downloaded on the student’s phone via the relevant bus company app (First or Stagecoach). Students will need to scan the pass on their phone each time they board the bus. All passes must be used with the student’s College ID card (which will be provided on enrolment days for new students). In some circumstances it may be possible for the student to have a plastic ticket, but this may incur a fee which is charged by the bus company.

Students who meet one of the above criteria, and who have a financial need, can apply for a bursary of up to £1200 – this bursary is for vulnerable groups only as the government recognise that the defined groups above may need a greater level of support to enable them to continue or participate in education. To ensure that your bus/train pass is available for issue/collection at the start of the Autumn Term 2025, please return this completed form by 8th Aug 2025, even if you do not have evidence of a current benefit, as you can supply this at a later date. Applications can still be sent in after this date, but there could be a delay in receiving your pass – students are liable to pay their own travel fares until the pass arrives.

I confirm that I have read and understood the following:

- The student's address on Section 1 is correct and the proof of the benefit matches this address.
- The information and evidence of the benefit/income provided is correct and complete to the best of my knowledge. Giving any false or incomplete information which may lead to wrongfully claiming financial help from the College, may result in any future assistance being stopped and any incorrectly paid funds being recovered. Using false information may result in a referral to the police.
- Awards from the Support Fund are granted on the following conditions: that there is a financial need for assistance, that the student's attendance record is satisfactory, all assignments or homework are produced on time and conform to the College's rules and regulations. If, at any time, attendance, work, or behaviour is considered unsatisfactory, the funding may be withdrawn or suspended.
- Any refunds for essential course related costs (uniform, books, etc) can only be processed with a receipt/proof of purchase. Receipts can be given to the Student Travel & Support Office in September, after full time lessons have commenced.
- If any cost is due towards a train pass, this payment must be made before collection of the pass using the College's online payment system (WisePay) or by cash via the Student Travel & Support Office.
- All bus passes must be used with a College Student ID card (this will be issued on your Enrolment Day where your photograph will be taken onsite). Train passes must be used with a photocard. A passport style photo must be supplied when the train pass is collected, please do not send photos in the post. Continuing students can use their existing photocard.
- The student is liable to pay their own travel fares to and from college if they have applied for a travel pass after the initial deadline, if the pass has been confiscated through misuse or if the student loses their pass.
- For lost travel passes, please speak to a Student Travel & Support Adviser.
- Uncollected train passes will incur a £10 admin fee which is charged by the transport company.
- Replacement Student ID cards can be purchased from the College.
- If you withdraw from your course, you must return your bus/train pass to the Student Travel & Support Office.
- Drivers/Inspectors can confiscate any pass that is used without appropriate Student ID or if the pass is being used out of the specified dates and areas on the ticket. Misuse of any pass may result in the student being withdrawn from the travel scheme and possible referral to the police.
- All students are expected to behave in the correct manner whilst using all public transport.
- HSDC cannot guarantee any public transport services as these services are not run under contract to the College and are therefore subject to availability.
- HSDC will process personal data contained in this application form for the purpose of administering Financial Assistance. If applicable, any bank details (sort code & account number) requested in the future by the Student Travel & Support Department will only be used for processing refunds and the college will adhere to relevant data protection policies and procedures.
